

STEPHENTOWN REVISITED

Inspired by the gift of the 1907 – 1908 photographs of Stephentown by photographer, Howard Gillett the Stephentown Historical Society will be sponsoring an exhibit of current photographs of Stephentown. The subject matter must be of Stephentown – scenic vistas, buildings, or people gathered or living in Stephentown. In fact, it would be interesting to have the same shots of Gillett's 100 years later. Photographers do not have to live in Stephentown. The exhibit will be held on April 13 & 14 giving participants plenty of time to get some good pictures.
